HEALTH AND FITNESS LEVEL:

Trip participants should be healthy and active. Erawan Ventures Inc. trips are available to anyone in good health and in reasonably good shape. By sending your non-refundable deposit, you certify that you do not have any physical conditions or disabilities that would create a hazard for you or any other participants on the trip. This trip requires a moderate level of fitness and mobility and you must be able to look after your own luggage for airport handling. (Porterage is available for all transfers). If your medical situation changes after signing this form and prior to the trip departure, you are obligated to advise us in case changes need to be made.

Any person who requires assistance with walking, dining or personal needs must have a companion to assist them. Please consult your physician and International Travel Clinic for pre-departure health advice.

Please also note that due to topography and the nature of the terrain, stairs, winding roads and other unusual conditions may occasionally be encountered during our daily activities. Sensitivity to the needs and comfort of our clients is however always our highest priority.

Who should come on this Bali trip? This trip is perfect for women of all ages with a sense of fun and adventure and interested in embracing exotic destinations and cultures. Come on your own or bring your favourite female travelling companion and share the experience of the 'real' Bali with a small, intimate group.

SINGLE SUPPLEMENT: Singles who wish to share with another guest should request this at the time of booking; reservations will be designated as a 'single-share-if-possible' basis. The single price is charged initially; but if another guest is willing to share, the difference between the single supplement price and the per person twin price will be refunded. Due to the small group size, single-shares cannot be guaranteed.
